For book clubs who loved:

Orphan Train; Snow Flower and the Secret Fan; Hotel on the Corner of Bitter and Sweet

About the book:

In 1886, Mei Lien is washed up on Orcas Island, the lone survivor of a cruel purge of the Chinese from Seattle. She is determined to tell her heartbreaking story the only way she knows how: through needle and thread. A century later, Inara Erickson, enlisting the help of a local professor, uncovers details in Mei Lien's delicate stitching that could have far-reaching repercussions for her own life. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? This brilliant debut is atmospheric, beautifully written, and serves as a poignant tale of the importance of our own stories.

HISTORICAL FICTION • 978-1-4926-4758-4
TRADE PAPER • \$16.99

For book clubs who loved:

Mrs. Poe; Z: A Novel of Zelda Fitzgerald; Mrs. Hemingway; America's First Daughter

About the book:

What secrets may have lurked in the shadows of Albert Einstein's fame? His first wife, Mileva "Mitza" Marić, was more than the devoted mother of their three children—she was also a brilliant physicist in her own right, and her contributions to the special theory of relativity have been hotly debated for more than a century.

In *The Other Einstein*, as Albert's fame grows, so too does Mileva's worry that her light will be lost in her husband's shadow forever. A literary historical in the tradition of *The Paris Wife* and *Mrs. Poe*, *The Other Einstein* reveals a complicated partnership that is as fascinating as it is troubling.

The Nightingale; City of Women; Sarah's Key; Those Who Save Us

About the book:

Like most gentiles in Nazi-occupied Paris, architect Lucien Bernard has little empathy for the Jews. So when a wealthy industrialist offers him a large sum of money to devise secret hiding places for Jews, Lucien struggles with the choice of risking his life for a cause he doesn't really believe in. Ultimately, he can't resist the challenge and begins designing expertly concealed hiding spaces—behind a painting, within a column, or inside a drainpipe—detecting possibilities invisible to the average eye. But when one of his clever hiding spots fails horribly and the immense suffering of the Jews becomes incredibly personal, he can no longer deny reality.

About the book:

As World War I raged around the globe, hundreds of young women toiled away at the radium-dial factories, where they painted clock faces with a mysterious new substance called radium. Assured by their bosses that the luminous material was safe, the women themselves shone brightly in the dark, covered from head to toe with the glowing dust. With such a coveted job, these “shining girls” were considered the luckiest alive—until they began to fall mysteriously ill. As the fatal poison of the radium took hold, they found themselves embroiled in one of America’s biggest scandals and a groundbreaking battle for workers’ rights.

Boxfish Takes a Walk

About the book:

When her life falls apart on the eve of her fortieth birthday, Kate Parker finds herself volunteering at the Lauderdale House for Exceptional Ladies. There, she meets ninety-seven-year-old Cecily Finn, whose tongue is as sharp as her mind. Having no patience with Kate's choices, Cecily prescribes her a self-help book with a difference. *Food for Thought*, a charming 1950s cookbook high on enthusiasm featuring menus for anything life can throw at the "easily dismayed."

So begins an unlikely friendship between two lonely and stubborn souls—one at the end of her life, one stuck in the middle—who discover one big life lesson: never be ashamed to ask for more.

About the book:

Claire Cook has a perfect life. Married to the scion of a political dynasty, with a Manhattan town house and a staff of ten, her surroundings are elegant, her days flawlessly choreographed, and her future auspicious. But behind closed doors, that perfect husband has a temper that burns as bright as his promising political career, and he's not above using his staff to track Claire's every move, making sure she's living up to his impossible standards. But what he doesn't know is that Claire has worked for months on a plan to vanish and a chance meeting in an airport bar, with a woman whose circumstances are as dire, will give new meaning to the phrase "last call."
